

Eddie Dee Smith Senior Center

December 2020

2020 has been a challenging year on all of us, we had to close our doors back in March. JARPD took over our daily operations on July 1, 2020 and we have offered drive-thru activities. Although we have spent most of this year apart, we've all made it through 2020 together. The Eddie Dee Smith Senior Center staff miss you all!! We are disappointed that we won't be able to celebrate the holiday season with you all at our annual holiday parties, but we look forward to the time when we can reopen our doors and celebrate together once again! We hope you all can enjoy the holidays while staying safe at home. Take care of yourselves and know that the health and safety of our senior community will continue to be our number one priority moving into the new year. We will continue to provide drive-thru activities as long as health guidelines allow us to. Thank you all for your patience and Happy Holidays.

Operated by the Jurupa Area Recreation & Park District
under agreement with the City of Jurupa Valley

We are here for you

December 2020

Currently, due to COVID-19 restrictions/guidelines, the Center is closed except for the following essential services:

The Senior Nutrition Lunch Program, through FSA, is operating under a modified plan. Seniors desiring lunch service need to call the Center every Monday to reserve their lunches for the week. Pre-packaged meals will be distributed, drive-thru style, every Wednesday from 11:00 a.m. to 1:00 p.m. A registration application must be completed prior to making a reservation.

Feeding America Food Distribution occurs on the first Thursday of each month. Call the Center on the first Tuesday to schedule your pick-up time. Food items will be distributed, drive-up style from 9:00 a.m. to 2:00 p.m. While supplies last.

Cool/Warm Center

In partnership with the County of Riverside's Community Action Partnership, the Center will act as Cool/Warm Center for vulnerable seniors (Ages 55+) in need of temporary relief from the heat or cold, Monday – Friday from 11:00 a.m. to 4:00 p.m., under certain weather conditions. When temperatures are forecast to exceed 97°F or 40°F, the Center will open following Social Distancing protocols. These protocols limit the number of participants to nine people at a time.
